Appeal for donation

Dear,

Our care for children and young people until their independence is long-term. It requires true commitment and love, but also significant investment in needs, from basic to educational and developmental ones.

In order to rebuild the houses and apartments where children and young people live in the coming period, it is necessary to gather 120,000 KM, and on this occasion we are turning to you with an appeal for a donation.

We will greatly appreciate if you can support them according to your capacities.
